POMEGRANATE LEGACY SOCIETY

Why Join the Oshman Family JCC Pomegranate Legacy Society?

Why Legacy?

Legacy gifts make a huge impact in helping to maintain the long-term sustainability and financial health of the OFJCC.

What is the Pomegranate Society?

Pomegranate Legacy Society members make generous provisions for the OFJCC through their wills or estate plans, retirement accounts, or through other planned giving methods. For many people, this forward-looking philanthropy makes it possible to make a significant long-term contribution that otherwise might be beyond reach.

The pomegranate is one of the “seven species” of Israel that are cited in the Torah. As a symbol of fertility and plenty, the pomegranate was chosen to represent the impact that legacy gifts have on the long-term vibrancy of the OFJCC. According to the Midrash, the pomegranate contains 613 seeds, corresponding to the number of mitzvot found in the Torah. The pomegranate adorns the mezuzot found on doorposts throughout the Oshman Family JCC’s Taube Koret Campus for Jewish Life.

What are the Benefits of Legacy Society Membership?

- Legacy gifts offer donors a way to show appreciation to an organization that they have been philanthropically devoted to during their lifetime.
- A Legacy gift can be made to support an OFJCC program whose future you would like to secure.
- This is one way to communicate to your children and grandchildren that Oshman Family JCC is important to you.
- Legacy Society membership offers an opportunity to help sustain the vibrancy of our Silicon Valley Jewish community and help the OFJCC plan for its future.

With appreciation for this generous gift, members of the Oshman Family JCC Legacy Society will receive:

- **A Pomegranate Mezuzah** commemorating your decision to make a legacy gift to the OFJCC
- **Recognition** in OFJCC’s Annual Report and other publications as a Legacy Society member
- Invitations to exclusive **Annual Events** specifically for Pomegranate Legacy Society members
