

Z3 2021

A HYBRID EVENT EXPERIENCE

SUNDAY, DECEMBER 5

Sponsorship Opportunities

The Z3 Project is an initiative of the Oshman Family JCC in Palo Alto, CA. Our aim is to promote a stronger relationship between Diaspora Jewry and Israel. We are dedicated to modeling how Zionism can evolve, and how our communities can come together for meaningful discussions about the Diaspora and Israel.

Since 2015, we have gathered leading voices from across the political spectrum for a day of debate and conversation, aimed at creating a new model of Jewish engagement in the 21st century. In our sixth year of programming, Z3 became a global event with over 25 participating JCC's from around the world.

We believe that elevating the relationship between Israel and Diaspora Jews is of critical importance to the flourishing of our people. We invite you to join the conversation, in hopes that together, we can bridge knowledge and emotional gaps between our communities.

*The Z3 Project will deliver individual event boxes with Kosher snacks and Z3 Giveaways for all sponsors participating virtually. If comfortable, we hope you'll consider hosting a safe, Z3 viewing party at your home or backyard to fully immerse yourself in the Z3 conversation; we will gladly send extra boxes to those hosting viewing parties.

We are offering two options for all sponsorship levels \$5,400+. You may join us virtually, or join in person, for Z3 2021. Your safety is our #1 priority; each in-person participant and staff member will need to provide proof of vaccination, participate in onsite rapid testing and administer a PCR test sent to your home by the OFJCC, 72 hours prior to the event.

Please note that all in-person activities are subject to change due to the ongoing uncertainty of COVID-19.
