

TK/K-1 Grade | Monday Chugim Class Descriptions

Hula Dancing (PAID ENRICHMENT)

Join us for a fun and energetic Hula Dance class, where kids will explore the beautiful culture of Hawai'i through movement and music. In this afterschool program, students will learn traditional Hula steps, expressive hand gestures, and some Hawaiian language all while enjoying upbeat music. It's a great way to build coordination, confidence, and creativity in a supportive environment. No experience necessary - just bring your enthusiasm and a smile! This class is \$250 the entire session

Critter Crafts

Get ready for a wild and creative ride! In this fun-filled class, your kids will make adorable animal creations using everyday materials and some extra cool art supplies. From turtles and birds to fish, snails, butterflies, and SO much more—there's no limit to the animal magic they'll create! Let's make some art, have some fun, and unleash their inner animal artists

Balloon Bonanza

Balloon Bonanza is a mix of fun and fitness for our youngest kids! In this playful class, kids learn basic sports skills – all with lightweight, colorful balloons instead of heavy balls. The softer, slower-moving balloons build coordination and confidence without the worry of bumps and bruises. Plus, each game feels like a party, sparking joy and teamwork! Balloon Bonanza makes staying active safe, exciting, and unforgettable, even when the rain keeps us inside!

Sports Mash

Get ready for an exciting new class in the next chugim session—Sports Mash! This fun, high-energy class is all about staying active, building healthy habits, and exercising while having a blast. Kids will engage in various activities that keep them moving the entire time, plus tips for healthy eating to fuel your body the right way. To top it off, at the end of each class, Sports Mash will treat them to a delicious and healthy snack, or drink, to recharge and replenish. It's the perfect combo of fitness and fun—don't miss out! Come join Sports Mash today.

Little Picassos

With plenty of hands-on projects, kids will discover how to turn simple materials into amazing works of art, all while learning new techniques and letting their creativity shine. It's the perfect class for little artists who love to explore and make things with their hands. Every project is a new adventure—come join us and see what you can create! Some activities might include making beautiful suncatchers to brighten up your windows, crafting a turtle out of a paper bowl, or creating a fluffy ghost with cotton balls. You can also make vibrant tissue paper paintings, design fun coffee filter art, and much more.

Edible Art

Unleash your creativity in this fun and tasty class where food meets art! In Edible Art, kids will explore the exciting world of edible materials, using fruits, vegetables, and other food items to create unique works of art. From designing colorful fruit collages to sculpting with toothpicks and grapes, this class encourages hands-on creativity while learning about textures and shapes.

TK/K-1 Grade | Thursday Chugim Class Descriptions

Mandarin

This is an introduction to Mandarin. We focus on simple conversations and writing Chinese characters while incorporating lots of games to encourage the fun of learning a new language! Kids will walk away with a new skill set and boost lots of self-confidence!

Groovy Games

This is a PE class with a twist. It will be physical and fun, but also mentally engaging with problem-solving and critical thinking. Your children will be playing new games each week, as well as playing team sports with friends. Plus they will have the opportunity to come up with their own games! We hope they will join us in this fun and physical Chugim.

Make and Melt

Get ready to make and melt with colorful fuse beads! In this exciting class, your kids will dive into a new theme every week—think video game characters, tiny food, and so much more! Using these fun, little beads, they'll design awesome creations like custom keychains, cool coasters, and even mini puzzles. Perfect for kids who love to create, mix, and match—it's time to turn those beads into works of art that are as fun as they are!
